- [Find us on Facebook](#)
- [Live and learn on the Oregon Coast](#)
- [Summer Bacc Core listings](#)

## The Summer Session advantage

Along with in-state tuition for all, students also use summer to complete courses they were unable to enroll in during the academic year and enjoy lighter class loads. Take a moment to see what else motivates students to stay in Corvallis and attend OSU Summer Session.

## OSU Summer Session

## Connect with OSU Summer Session on Facebook

Become a fan of [OSU Summer Session](#) on Facebook by April 13 and be instantly added to a drawing to win a \$50 OSU Bookstore gift certificate. While you're there, check out summer photos, ask questions, meet other Summer Session students and be the first to know about upcoming events, contests and more.

[View more details](#)

## Explore OSU's coastal resources

Students have the chance to explore, learn and discover this summer by participating in the Marine and Environmental Studies Program at OSU's Hatfield Marine Science Center (HMSC) in Newport, Ore. Be sure to check out what's new for Summer Session '09 by reading an [interview](#) with Academic Program Coordinator and Instructor Itchung Cheung.

## Speed up your required courses

Use summer term to complete a prerequisite and other required courses for your major so you stay on track with your academic plan. Summer is also a great time for undergraduates to complete some of their Bacc Core required courses.
